

UNITY OF PHOENIX TITHING RECOMMENDATIONS

How Our Tithing Program Works:

Unity of Phoenix is a tithing ministry; we give one-tenth of all we receive back to where we, as a spiritual community, are fed. Fifty percent of our regular monthly tithe supports the greater Unity movement. The other half of our monthly tithe is dedicated to community and the greater community; the recipients of these tithes change each month based on where we feel the ministry has been spiritually fed.

With this form, we invite congregants to make recommendations to the Tithing Committee regarding organizations they feel should be considered as a potential recipient of a monthly tithe. Please provide all the information requested in order to help us make the best decision regarding which organizations we will select. *Please note that the organization must be a 501c3.*

Completed forms should be returned to the Unity of Phoenix reception desk or mailed to:
