BE A BUDDY!

Service

The Unity of Phoenix Buddy Program

helps make our newcomers feel relaxed and welcome by matching them with more experienced members who introduce them to the various social and service aspects of our church.

Through friendship, support and communication, the more experienced "buddies" help to quickly build a comfort level for newcomers by:

- Introducing them to other congregants;
- Explaining all of the services and activities Unity of Phoenix has available;
- Answering any questions they might have about our spiritual community; and
- Offering to sit with them during worship services and accompany them to additional activities (such as meditation, volunteer activities, spiritual education classes, and special events).

"Buddies" are formally matched for three months, usually an adequate timeframe for the newcomer to establish a solid networking base and understanding of our spiritual community. Of course, they often remain "informal" buddies for life!

Our Buddy Program is primarily focused on congregants who are new to Unity of Phoenix, but it's certainly not limited to those folks. *Anyone* who attends Unity of Phoenix and would like help in getting to know more people and/or getting more involved in our spiritual community is welcome to participate.

If you would like to be matched with a "buddy" who can help you find your way around, or if you would be willing to serve as a "buddy" to help integrate someone else into our spiritual community, please fill out the form and return it to the church.

For more information about our Buddy Program, contact Eleanor Glass at 602.978.3200.
