

**WEDNESDAY \* NOVEMBER 23**  
**I AM THANKFUL FOR GOD'S INFINITE**  
**GOOD**

I now adopt an attitude of trust and I relax in the awareness that "to those who love God, all things work together for good".

I "love" God by acknowledging the Presence of Spirit in all life. God and good permeate every living thing and each experience.

I trust God. No matter what the outcome, I know that a higher order is at play. I can rest assured that "God means it for good", and I am grateful.
