

FRIDAY * OCTOBER 21
I AM THANKFUL FOR MY GIFT OF
INSPIRATION

I am willing to be inspired. Whether it is through listening to music, a walk in nature or simply being quiet, I am willing to allow Spirit to inspire me with greater possibilities for my life.

I am willing to give God a blank canvas to create a masterpiece for me. I will refrain from telling God how I think my life should work. I will prayerfully receive the guidance, direction and inspiration that Spirit has for me. As I open my heart and soul, I know that wonderful ideas will fill my mind with new opportunities and directions.
